REGARDING PAROLE DECISION ON JACK KEVORKIAN...

“Rather than parole, the State Correctional System should provide a prisoner like Mr. Kevorkian with all the medical treatment and counseling he needs. Tragically, that’s more compassion than he ever showed for the scores of victims he left in vans, motel rooms, and basements. Justice for Mr. Kevorkian— and the citizens of Michigan— should require him to pay for his actions the same way other convicted killers have to— behind bars.”
